## LANGUAGE SKILLS

Mother tongue(s): NEPALI:

Other language(s): ENGLISH:

## HOBBIES AND INTERESTS

Enjoy classical literature by authors like Austen and Kafka, coding personal projects, photography of nature and culture, and volunteering in community service focused on education and environmental awareness.

## PROJECTS

- **QuickCart (E-commerce Website)**

Developed a full-featured e-commerce platform using Next.js with Stripe payment integration. Utilized Inngest for workflow automation, Clerk for authentication, Cloudinary for image management, and MongoDB for the database.

- **Beauty Commerce (Minor Project)**

Built an online beauty product store using Node.js, Express, and MySQL, focusing on smooth user experience and robust backend functionality.

- **Green Basket (Major Project)**

Created a sustainable e-commerce platform for eco-friendly products like hemp bags and local artisan goods. Built with Next.js, Inngest, Clerk, Cloudinary, and MongoDB Atlas, featuring eSewa as a payment gateway for seamless transactions.
