To Whom It May Concern

This is to certify that **Mr. Shahil Bhusal**, a student of **Crimson College of Technology**, has successfully completed his internship at **Synthbit Group Pvt. Ltd.** as a **Front-End Developer** from **September 10, 2024, to December 27, 2024.**

Throughout his internship, Mr. Bhusal showed strong dedication, professionalism, and a clear understanding of front-end development concepts. He contributed significantly to various projects by developing and optimizing responsive user interfaces. He worked closely with UI/UX designers and backend developers to implement features and ensure seamless integration.

Mr. Bhusal actively participated in code reviews and testing to maintain high standards of quality. He also contributed to the preparation and upkeep of technical documentation related to front-end components. His problem-solving skills, attention to detail, and ability to work collaboratively were valuable assets to the team.

He consistently demonstrated a positive attitude and a willingness to learn, completing all assigned tasks with diligence and responsibility. We appreciate his contributions and dedication throughout the internship period and wish him success in all his future academic and professional pursuits.

Best Regards,
Amrit Khanal
